Cartoon Capers

If you are between 12 and 15 and like drawing cartoons, come to this interactive workshop using Comipro Plus. This program includes an editing function as well as word bubbles to create comics that are rewarding and fun to create and will give you hours of fun.

WESTFIELD PENRITH

Tuesday 3 October 2017, 2:00 pm to 4:00 pm

Duration: 1 Day, \$37

Creative Writing for Years 3-6

This creative writing program has been designed to cater for students in Years 3 to 6 who would like to be shown how to create well-structured texts for different purposes. This workshop is individualised with our qualified and experienced teachers to help your child practise sentence structure, paragraphing, punctuation and grammatical features. Your child will also be guided to tackle spelling words and use a range of spelling strategies. Please contact the college to discuss your child's needs.

WESTFIELD PENRITH

Tuesday 3 October 2017, 11:00 am to 12:00 pm

Duration: 4 Days, \$73

Customers and You

This workshop is all about interacting with your customers. You will obtain some hints on how to listen to your customer and what to say to them, how to handle complaints and satisfying that difficult customer. You will also look at your telephone manner and presentation and how to anticipate your customer's needs.

WESTFIELD PENRITH

Thursday 16 November 2017, 2:30 pm to 4:30 pm

Duration: 1 Day, \$37

Dr Who Day

Come and explore the universe in your own Tardis and meet some Daleks or Cybermen. This workshop is aimed at 8-12 year olds who have a particular interest in all that is Dr Who. You will construct whatever aspect from Dr Who that takes your fancy and perhaps create a bit of that Dr Who magic.

WESTFIELD PENRITH

Wednesday 4 October 2017, 9:30 am to 1:30 pm

Duration: 1 Day, \$73

Film a video on your Smart Phone

If you're between 15 and 18 come and stage and shoot your own film using your Smart Phone. You will develop your ideas, select a style and write the dialogue of your very own film during this workshop.

WESTFIELD PENRITH

Friday 6 October 2017, 9:30 am to 1:30 pm

Duration: 1 Day, \$73

Interview Skills

First impressions are lasting and, no matter what you know, you need to present the best of yourself at the interview. This workshop will give you some tips to make that first impression, how to build rapport in the interview, develop a framework for responding to the questions and knowing how to answer that difficult question.

WESTFIELD PENRITH

Thursday 16 November 2017, 12:00 pm to 2:00 pm

Duration: 1 Day, \$37

Mental Maths - Years 3-6

These classes are individualised to allow your child to master the art of calculating on the spot. Activities include practising addition, subtraction, multiplication and division skills and other speed challenges. Your child will explore and strengthen and consolidate mathematical concepts to become a proficient maths user under the supervision of our qualified and professional teachers.

WESTFIELD PENRITH

Tuesday 3 October 2017, 9:30 am to 10:30 am

Duration: 4 Days, \$73 3rd, 4th, 5th and 6th October

Music Maker

Make music the simple way. Whether you're a beginner or a pro use this computer program to achieve great results. Combine loops and samples to make your own hits and use effects and instruments for the finishing touches. This workshop is aimed at 12 to 15 year olds who are interested in creating, composing and collaborating in the music world.

WESTFIELD PENRITH

Tuesday 3 October 2017, 11:30 am to 1:30 pm

Duration: 1 Day, \$37

Resumes for Results

Have you just finished the HSC and looking for a job? Preparing a resume is integral to getting that job. Ask yourself what do I include in my resume? How long should it be? When should I change it? This workshop will give you some hints and tricks in preparing this most important document that will give you a good chance to get that first Interview.

WESTFIELD PENRITH

Thursday 16 November 2017, 9:30 am to 11:30 am

Duration: 1 Day, \$37

Scratch a Computer

This program is so simple - it can be used to create small games, interactive art and animated stories. This workshop is great if you are between 8 and 12 and interested in thinking creatively and designing collaboratively. Come and start creating!

WESTFIELD PENRITH

Wednesday 4 October 2017, 2:00 pm to 4:00 pm

Duration: 1 Day, \$37

Star Wars and all that

"A long time ago in a galaxy far, far away" join alien creatures, droids, Jedi and Sith as they determine the fate of the Galaxy. Kids between 8 and 12 will enjoy re-creating some of these iconic images using computer programs such as ArchiCad. Your sketches and ideas in Star Wars universe will become realistic 3D images that will ignite your imaginative powers.

WESTFIELD PENRITH

Thursday 5 October 2017, 9:30 am to 1:30 pm

Duration: 1 Day, \$73

Use that Ukulele

Have you bought the kids a ukulele and found that it's gathering dust? This workshop will show how to tune a ukulele and the strumming techniques that make this instrument 'sing'. Kids aged between 8 and 12 will also be able to strum some simple songs and you'll be singing along with them.

WESTFIELD PENRITH

Thursday 5 October 2017, 9:30 am to 11:30 am

Duration: 1 day, \$37

Walk like an Egyptian

Egypt is the mother of civilisation. This workshop is aimed at kids aged between 8 and 12 who have an interest in Egyptian culture and history and the wonders of Ancient Egypt. You may have a go at 'translating' some hieroglyphics to make a bookmark or scroll or you could construct a pyramid from cardboard using the scaled dimensions used in Ancient Egypt. You also could bandage a mummy in its own sarcophagus. Also there may be time to make an Egyptian mask.
