SEWING: PATTERN FIT

Learn to adjust any pattern for a perfect fit using hands-on tissue fitting techniques. In this workshop, we minimise measuring—because measurements alone don't reveal everything about your body. Discover your true size and start with the correct pattern. You'll focus on bodice and skirt alterations using Palmer/Pletsch fitting methods with McCalls pattern 7279 or 2718. After making adjustments to the basic pattern, you'll leave with a personal body map and the skills to modify any fashion pattern of your choice. Participants are encouraged to tissue fit and alter additional dress patterns.
